Petitioner) Case Number: 19-CR-110
v.)
UNITED STATES OF AMERICA) Judge Phillip Simon
Respondent)

MOTION TO OBTAIN AND POSSESS DOCUMENTS PERTAINING
TO FEDERAL CRIMINAL CASE NUMBER 19-CR-110

Comes Now, Xavier Solis, pro se Petitioner, respectfully requesting his legal documents to assist in challenging his conviction and sentence. In addition, to seek relief under the First Step Act and Compassionate Release.

Petitioner is aware that he is not allowed to possess his Presentence Investigation Report (PSR). However, U.S.P. - Lee is preventing inmates from obtaining and possessing their legal papers, (e.g. docket sheets, plea agreements). Petitioner's Sentencing Transcripts were sent in by mail and confiscated by prison officials. He is unable to file a meritorious motion without the documents below. This violates his Constitutional rights to have access to the courts. Petitioner is in need of the following documents:

- 1) Docket Sheet

- 2) Plea Agreement
- 3) Sentencing Transcripts

Wherefore, Petitioner who is indigent, prays this Honorable Court would please direct someone to provide these documents in a timely manner. Moreover, to order U.S.P. - Lee to allow Petitioner to obtain and possess, with the exception of the PSR, his legal papers. These would include the documents listed above, which are necessary in order to file a meritorious motion to challenge his conviction and sentence, and to seek relief under the First Step Act and Compassionate Release.

Respectfully Submitted,

Dated: 11-22-2021
